

**REMARKS**

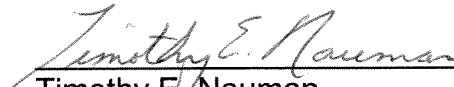

The Office Action has been carefully considered, along with the prior art both cited and applied. In response, the claims have been amended to depend directly or indirectly from allowed claim 37. In addition, a new Abstract has been submitted on a separate sheet, and the drawing objection is now moot in light of the cancellation of claim 30. Claims 21, 24, 28, 39, and 40 have been amended to attend to the indefiniteness rejections under the Second Paragraph of 35 U.S.C. §112.

Since all claims now depend directly or indirectly from allowed claim 37, this application is now in condition for allowance.

Respectfully submitted,

FAY SHARPE LLP
